## **Birding Notes**

Date:		 	
Time:			
Weather:			
Observer	 S:		

Blandy Experimental Farm is a field station administered by the University of Virginia's Department of Environmental Sciences. It is home to the Orland E. White Arboretum (The State Arboretum of Virginia) and hosts a wide range of academic and public programs. It is also the headquarters of the Northern Shenandoah Valley Audubon Society, the Virginia Native Plant Society, and the American Boxwood Society. Information on public programs at Blandy, University research, internships, and membership in the Foundation of the State Arboretum can be found at our website:

blandy.virginia.edu

## A Checklist for the Birds of Blandy

Cedar Waxwing
